IMPORTANT INFORMATION!

ACTIVITY PACKAGE

This is an optional additional payment that covers what we consider to be 'essential activities' on our tours and therefore this itinerary has been written with these items included in the day-by-day itinerary. Ideally we would include all of these, but not everyone can afford this. Some tours include them as they are compulsory, in these cases; the cost will automatically be included in your total costing. Should they not be compulsory, they can be added (by MLS code). NOTE it is an additional payment and not always included.

RECONFIRMATION

Please reconfirm tour at least 24 hours prior to tour departure

DATE CHANGE POLICY

Changing the date of a tour, within 60 days of departure, is subject to a fee of 15% of the tour price or ZAR 2 000, whichever is the higher of the two.

Should a client cancel a booking 60 days or less prior to the date of departure of the tour for any reason (except due to death or hospitalisation), the client shall be liable to pay a cancellation penalty. The cancellation penalty is calculated by having regard to the nature of the booking, length of notice of cancellation and reasonable potential to find alternative customers. Having regard to the aforementioned factors, the following percentages will be forfeited by the Tour Operating Agent in respect of the arranged tour price due to a no-show based on the number of days between receipt of the cancellation notice and the date of the departure:

61 Days and more: No fee applies (unless Gorilla Permit has been booked - which is non-refundable) 30 - 60 Days: 50% of the tour price is held as cancellation 10 - 29 Days: 75% of the tour price is held as cancellation 0 - 9 Days: 90% of the tour price is held as cancellation

CANCELLATION POLICY

Nomad Adventure Tours & Holidays CC reserves the right in any circumstances to cancel the tour due to circumstances beyond its reasonable control. In instances where Nomad Adventure Tours & Holidays CC cannot provide the tour booked, we will return to the Tour Operating Agent all monies paid, which shall constitute the full extent of Nomad Adventure Tours & Holidays CC liability to the Tour Operating Agent, or Nomad Adventure Tours & Holidays CC may offer the Tour Operating Agent an alternative holiday of comparable standard for the client

CHILD POLICY

- 12-15 Years: Nomad will accept a maximum of two children between the ages of 12 to 15 years on any tour without requesting permission from agents or clients. If more children want to join a tour once the maximum has been reached, this will be allowed on a request basis only.
- 8-12 Years: Children between the ages of 8-12 years will be accepted to travel with Nomad on a request basis.
- 8 Years: No children under 8 years of age may travel on Nomad's scheduled tours.
- A child must be 15 years or older to partake in the Gorilla Trekking Activity and 14 years or older to climb Mount Kilimanjaro.
- Any traveler between the ages of 8-16 must be accompanied by a parent, unless specific authorization had been obtained from Nomad.
- 17-18 Years: Guests of this age may travel with us with a letter of permission from their guardian; they do not require a parent to travel with them. #
- On A Request Basis means that Nomad will receive the child request from the agent and once Nomad has confirmed receipt of the child request with the agent in writing, all other agents who have guests booked on the specific departure will be contacted to request permission for the child / children to join the tour. The agents then have 48

hours to respond to the request. If no response is received from any agent, the child/ children will be accepted onto the tour. If the response is negative, we will have a look at an alternative date or tour for the family.

LEAVING A TOUR

In the event that the client joins the tour after the departure date, or leaves before the completion thereof for any reason whatsoever, the client shall not be entitled to any refunds or rebates whatsoever from the Company.

OPTIONAL ACTIVITIES

There are always additional activities that you can do en-route. In your tour dossier you are provided with a full list of all the optional activities that can be booked on the tour you have chosen. On tour there are also other expenses such as dinners at local restaurants, tips and shopping.

CREDIT CARDS

Credit cards should not be used in Zimbabwe. Botswana only accepts Visa Cards and not Master Cards.

HEALTH

Please inform us of any pre-existing conditions such as diabetes or asthma and any prescription medicine you may be taking. We also need to know about any food allergies or physical disability that you may have.

VISAS

Please note that these are your responsibility. Some nationalities require visas for Swaziland and Lesotho. See Pre Departure Booklet for more information.

INSURANCE

All clients require adequate Travel Insurance. Medical Insurance is not sufficient. Activity providers can refuse participation of activities, if the correct valid Travel Insurance is not provided. Travel insurance can be purchased via the Nomad website http://www.nomadtours.co.za/travel_insurance.html

ARRIVAL

Please be sure to arrive 1 day before your tour is due to depart. This will avoid any unpredictable problems.

DEPARTURE

Please book your flight to depart the day after the tour officially ends. This is to account for any delays that we may experience due to unpredictable road conditions.

LUGGAGE

Guests are currently travelling with hard pack suitcases and way too much luggage. This leads to discomfort for all of the guests on tour as the suitcases do not fit into the lockers. Suitcases prevent access to the freezer, they block access to lockers, they cause unnecessary congestion at the entrance to the truck and they could become a hazard in the truck if the driver has to apply brakes.

- Carrying too much luggage is also uncomfortable for the traveller as they need to get their luggage on and off the truck regularly. Please advise your guests that if they bring suitcases that do not fit into lockers, we may have to leave the suitcase behind. It is imperative that they bring soft pack duffel bags or backpacks on tour, and pack lightly.

DAY 9 - HIMBA TRIBES: OUTJO

We visit a Himba community close to Kamanjab where you will have an opportunity to interact with the people who live there. This is a working village and is only a representation of a larger group of nomadic pastoralists. The semi-nomadic Himba people are extremely susceptible to Western influence and have lost a large portion of their land to farmers, engineers, miners and many were displaced during the wars that raged in Angola. The dwindling number of pastoralists that still exist in their natural environment are protected as far as possible. Tourists who would like to get a better understanding of the way of the Himba, their lifestyle and their traditions, can do so without interfering with those still living in their natural environment. Visiting the Himba tribe can be a controversial topic that gets discussed at the camp fire, however not so much if the reason for visiting this particular tribe is understood beforehand. The income that this specific tribe generates from the visits goes towards the education of orphaned Himba children and assists the tribe in giving them a chance to learn about their own culture and heritage. There is a market at the end of your visit, this is a way for the women to establish a small income, used for their own private expenses, and it is up to you whether you'd like to purchase anything or not. Meals: B,L,D Activity package: Guided visit to the Himba tribe

DAY 41 - KENYA - NAIROBI

After crossing the border into Kenya we continue to travel towards Nairobi. Founded by the British in 1899 as a simple rail depot, the town quickly grew to become the capital of British East Africa and eventually the capital of Kenya in 1963. Usually we enjoy a

group meal out at one of Nairobi's excellent restaurants. Your tour ends upon arrival in Nairobi. Meals B,L
